Re: C00542266  
Amended 30-Day Post General Report (10/16/14 - 11/24/14) (received on 1/30/2015)

Ms. Sugarman:

I am writing in response to your letter dated February 4, 2015, which requested additional information with regards to an increase in receipts totaling \$24,213.89 on Lines 11(a)(i), 11(a)(ii), 11(c) and 15 of the Detailed Summary Page of our Amended 30-Day Post General Report when compared to our original 30-Day Post General Report.

Upon preparing to file our Year End 2014 Report on January 30, 2015 the Committee noticed an improperly recorded refund to the Committee in the amount of \$21,851.04 (Transaction ID VN8CEDJKZE2). This amount was refunded to the Committee after the Committee was overcharged for a mailing error prior to the general election. The Committee, however, inadvertently had this refund recorded in our ledger as being received after 11/24/14 (outside of the period covered in the 30-day Post General Report). In fact, the refund was received into our account on 11/4/14. The Committee amended its 30-Day Post General Report to reflect the proper date in which this refund was received.

In addition, upon further inspection the Committee found that certain contributions received via ActBlue during the 10/16/14 ? 11/24/14 time period were not properly imported from ActBlue into our filing software. This amount, from multiple donors, totaled \$2,136.95. Finally, due to an inadvertent data entry error the \$150.00 receipt from the Democratic County Committee of Richmond County (Transaction ID: VN8CEDJMHY6) was not included in our original 30-Day Post General report.

The Committee is aware of the importance of accurately reporting all receipts and disbursements pursuant to 11 CFR Section 104.3. For this reason, the Committee quickly amended our report as soon as the errors were noticed, thereby ensuring that the Commission and the public were properly informed of the timing of the receipts received by the Committee.

The Committee appreciates the opportunity to provide additional information and to have its amended report(s) made part of the public record.
